

CLINORA

Visual identity

Sand + Sky system

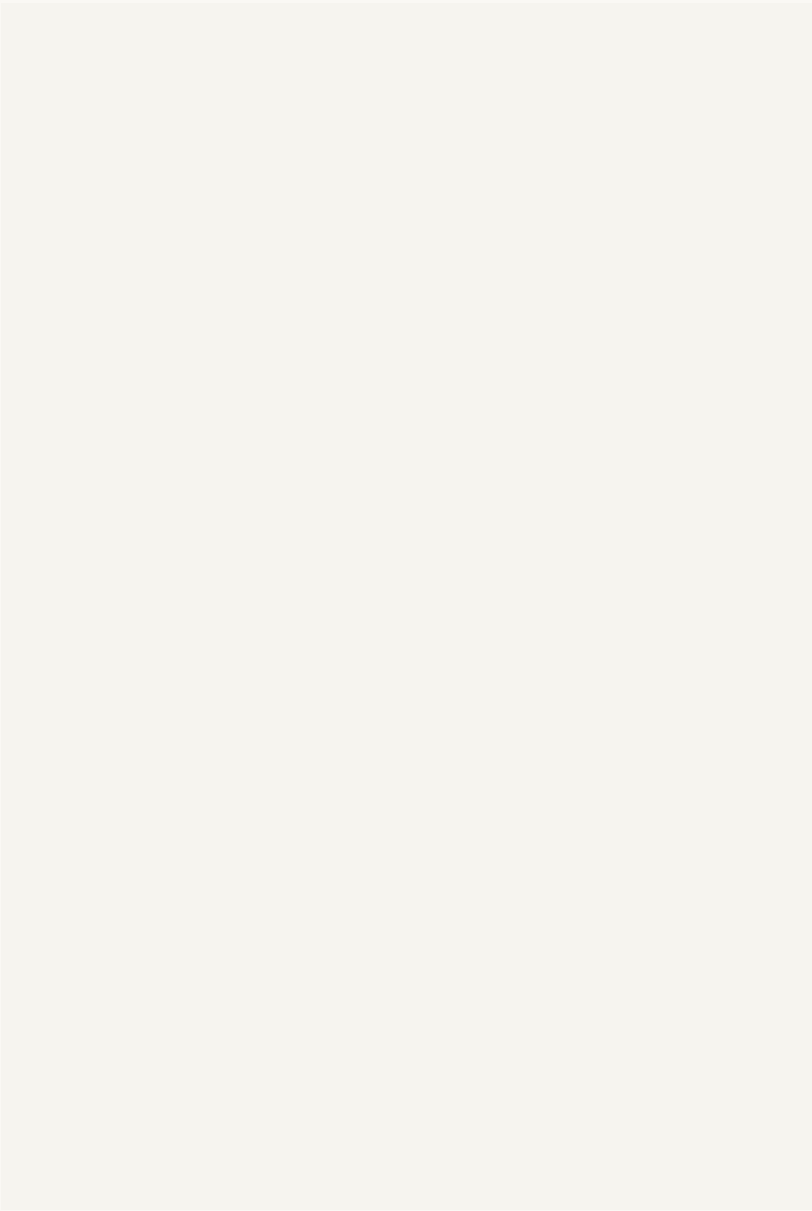

Sand and sky carry equal weight as surface tones. Ink carries text and buttons. Amber flags a gap. Filled sky marks what's verified.

Ink & accent

Ink · #1D2030

Text, labels, buttons, verified marks. Never a large background surface.

Gap / Flag · #E8A94A

Soft amber wash behind a missing field — needs a value, not an error.

Ink on Sky 150 — **11.5 : 1** Ink on Sand 50 — **14.7 : 1** White on Ink — **16.1 : 1**

Type pairing

DISPLAY · SPARING USE

Measures

Wordmark and page titles only.

UI / BODY · EVERYTHING ELSE

Carries labels, prose, buttons, and every numeral. No monospace anywhere.

USAGE RULES

Sand and sky share the interface at equal weight. Ink stays reserved for text, labels and buttons — never a large surface. Amber marks a gap; filled sky marks what's verified.
